Tapir Valley Nature Reserve

PRICE PER PERSON | \$110.00 USD + TAXES

Out of the five species of tapirs in the world, four live in Latin America, The Tapirus Terrestris is the one that lives from Costa Rica to the north part of Argentina. And only two places in Costa Rica are called home by the Tapir; Osa and Bijagua. Considered animals in their period of extinction, these amazing mammals can help us to populate devastated forests again. Discovering the Tapir Valley is following the fresh footprint of these beautiful animals and learning how they live in their habitat. Get ready to live this lifetime experience and immerse in a jungle nocturnal tour learning about all creatures while you are looking at the tapir. But also you can enjoy tapir valley during the day with fantastic views from their platforms and spot some great birds. This 220-acre reserve could be just for you!

Horseback Riding, River and waterfall

PRICE PER PERSON | \$150.00 USD + TAXES

Discover ORIGINS and its surroundings, the little roads and the Pura Vida lifestyle. Embark on a unique experience through Costa Rican local towns, landscapes, and experience something pure and connect with nature. Enjoy a half-day tour riding one of our horses, going through different farms, crossing the Tigua river, and plantations. You will always be accompanied by our naturalist and horse guide. Being comfortable and confident whether you are a horse aficionado or a beginner, this experience is made for you, and all your family. One of your first stop would be to visit and learn from an ancestral tree named "Kapok", considered one of the biggest trees in the world. This secret tree was cared by the indigenous tribes, believed in it as an ally with power & protection of the forest. Some of these trees have more than 2000 years. You will be delighted by the arrival to don Sergio's private "finca" where you would be surprised by the view of the river and waterfall. Share a great picnic with your Loved ones!
